Four colour co-ordinated splayed legs giving the pool table a modern stylish feel. Precision ground slate providing the best possible level base for the playing surface. Quality cushion rubbers giving a consistent and professional response. Innovative Supreme logo corners.

The cue choice of World Champions and many of the world's elite players. Jason is trusted to deliver what's needed by the best. Years of skills and experience go into every cue, made solely by Jason, an 8 ball player who understands what makes a cue not only look awesome but also plays great.
