Dear Supporter,

Thank you for your donation of £699.09 raised by English Pool Association and for your continued support of young lives against cancer with CLIC Sargent. If you would like a certificate for you to display in your company, please contact our supporter engagement team on the details below.

From the day the doctor says cancer, CLIC Sargent care teams will provide exceptional care and support, tailored to each young cancer patient and family. They will listen, and ask the right questions, so that they can provide the right support.

It is thanks to the dedication of supporters like you, that when cancer strikes young lives we do all we can to limit the damage it causes beyond their health.

Thank you and English Pool Association once again for being part of our fight for young lives against cancer.

Kind Regards,

Emily Vinnicombe
